Spee-Dee Ship 2026 Update Instructions

Step 1: Preparation

1. Close Spee-Dee Ship

   Before starting the update, make sure to close Spee-Dee Ship on your computer.
   !!! Important !!! : Confirm there are no pending shipments

Step 2: Access the Download Page

1. Go to https://speedeedelivery.com/update

2. Find and click the link for **Download Rates 2026 Patch**

   o You can choose to download the EXE version or the ZIP version. The ZIP file contains its own instructions.

Step 3: Start the Download (EXE VERSION)

1. On the download page, click the **Download Rates 2026 Patch [EXE]** link to start downloading the installation file.
2. If Windows displays a warning (e.g., blocks the download or flags it as a potential virus):
   o Select "**Keep**" or "**Run Anyway**" to allow the download.

Step 4: Install the Update

1. Open your Downloads folder.

   o Locate the file you just downloaded. The file will be named **SDS_2026 _Rates_Patch.exe**

2. Double-click the file to launch the installer.

3. Follow the on-screen prompts to complete the installation.

Step 5: Verify Installation

1. Once the installation is complete, open **Spee-Dee Ship** to ensure it launches correctly.
2. Verify in **(Top ToolBar) > Help > About Spee-Dee Ship**:
   o Verify "Rates2026"
