

Metro Rate Service

*Metro rate service is based on the total weight of the shipment – not on individual packages.
For example: a shipment totaling 55 pounds is charged the 55 pound package rate.
A shipment totaling 120 pounds is charged the 100 pound package rate plus the 20 pound
package rate. The metro rate allows for total weight shipments to one consignee
and has no minimum or maximum weight requirement.*

Exclusions:

- COD tags / 1 per shipment
- Packages 101 – 150 pounds
- AOD – Acknowledgement of Delivery
- No additional insurance provided after the first \$100 per package
- Pick-Up tags
- Hazardous Materials packages
- Oversize packages
